

# RENAULT FLUENCE

**DRIVE THE CHANGE**

## THE RENAULT CUSTOMER CARE PACKAGE: YET ANOTHER ONE OF THE PLEASURES OF RENAULT OWNERSHIP

Today's Renault cars testify to the enormous technological advances made over the past decade and demonstrate the benefits which those advances have brought to the motorist. The modern Renault performs more strongly, uses less fuel and is safer than ever before. Equally importantly, it is unprecedentedly durable and reliable - a fact which is reflected in the remarkable warranty package enjoyed by every Renault owner. All Renault vehicles come with 3 year warranty and AA Roadside Assist. In the case of your new Fluence, this warranty package is extended up to 5 years and unlimited mileage\*. Paintwork is also guaranteed for 3 years while the anticorrosion warranty runs for 12 years.

## A COMPREHENSIVE RANGE OF PRACTICAL, HELPFUL SERVICES

**Renault Roadside Assistance.** The support you get in the first 3 years of owning your new Renault is enhanced by free Renault Assistance cover provided by the AA. The Renault Assistance team is there for the sole purpose of responding to emergency calls from Renault customers, so you can be assured of top class service. Your handbook will give a complete rundown of all the help and services available to you, but, briefly, they include: Roadside Assistance: if you breakdown or your car is immobilised, at any time of day or night, one free phone call will bring help. Phone 1800 607 607. Recovery: if your car can't be fixed by the side of the road, the AA will transport your vehicle to the nearest Renault dealer and offer you and your passengers an alternative form of mobility. At home: you don't have to be out and about to get help, the AA will attend a breakdown at your home or office as well.

## SERVICES AVAILABLE FROM YOUR RENAULT DEALERSHIP

**Superior cars - superior service.** Renault is represented by a nationwide network of dealers, so you can be sure that you're never far from a group of experts who can help you get the very most from ownership of your new car. Renault workshops are equipped with the very latest in diagnostic and other equipment to keep your car operating at peak efficiency. Your dealer's parts department houses a huge range of electrical and mechanical parts, so repair or servicing operations are hardly ever delayed by the lack of vital parts. Your local dealer is the first point of contact for anything and everything concerned with your new Renault - including, of course, a test drive! The best accessory shop in town is at your Renault dealer. If you've looked at the specification lists in this brochure, you won't need to be told that Renault cars are amazingly well equipped. But Renault owners are individuals with their own individual tastes, needs and interests. Which is why the Renault Boutique at Renault dealerships offers an enormous range of additional equipments and accessories. There are alloy wheels; body kits; carpet mats; sun blinds; ski and bike carriers; tow bars; child safety seats; alarm systems; in-car entertainment; integrated mobile phone system and much more besides. Every single item is made to the same quality standards as the components used in Renault cars themselves and is a perfect match for Renault's distinctive visual style.

**FOR 113 YEARS,  
WE HAVE ALWAYS  
COMMUNICATED THE VIEW  
THAT FOR A VEHICLE TO BE IN  
TUNE WITH THE TIMES, IT HAS  
TO BE INNOVATIVE, MAKE A  
RESPONSIBLE COMMITMENT  
AND INSPIRE PASSION WHILE  
OFFERING SUSTAINABLE  
MOBILITY FOR ALL.**

Our relationship with drivers and their passengers is founded on one simple idea: for a car to be popular, it has to be practical, reliable and suited to the lifestyle and expectations of each individual. This is why Renault offers general models, - cars for living -, accessible for everyone. From the first standardised models in the beginning of the 20<sup>th</sup> century, to the upcoming launch of the first range of electric vehicles\*, our aim has always been to make the motor car and mobility available to as many people as possible. Today, we are convinced that another world is possible; a world where the automobile is no longer a threat to the environment but instead combines mobility, safety and quality - for everyone. We assert this vision every day, never losing sight of the fact that passion for motoring is, and will always be, what drives us forward. We want to bring new meaning to the automobile, so that it can take a different, more appropriate position with regard to social issues and so that it will always remain a sign of progress for Mankind. The Renault vehicles for today and for the future are the founding stones of our ambition to offer sustainable mobility to all.

# GET AN UPGRADE

UNPRECEDENTED COMFORT.

Renault Fluence combines a comfortable drive with a full range of equipment designed to make every journey a pleasure for you and your passengers. Renault Fluence has the largest interior space in its category. The front seats offer excellent support. In the back, the knee room is extremely generous. And the back of the rear bench seat is inclined at an angle of 27° for tailor-made comfort. With a volume of 530 dm<sup>3</sup>, Renault Fluence's vast boot can take all of your luggage. As for the exterior design, the aluminium wheel rims and chrome exhaust tube and radiator grille endow your car with a distinctive elegance. Renault Fluence: a decisively upper range car.

# USEFUL TECHNOLOGY

INNOVATION EVERY DAY.

The technology on board Renault Fluence is multi-faceted. Take the Renault hands-free card which can be used to lock, unlock and start the vehicle simply by carrying it with you. The Arkamys® car radio, with its 3D sound and audio system to which most digital music players can be connected. Or the TomTom® on-board navigation system with colour screen, easy to use via the remote control. Innovations designed for the driver and expressing a unique philosophy: useful progress.

Please note that items featured may be standard or optional depending on version. Photos are for illustrative purposes only.

# FLUENCE IRISH EDITION\*

SPORTS ATTIRE REQUIRED.

\* Only available while stocks last

More character. Even more class. With the Irish Edition finish, the elegant design of Renault Fluence takes on a sportier edge. The more prominent grille sits atop a front spoiler with a dynamic design. The sides are adorned with a body-coloured end panel, sills and side protective strips. At the rear, the spoiler and end panel reinforce the dynamic look, whilst the 17" aluminium alloy wheel rims give a unique touch of style. With a dark carbon environment, the Fluence Irish Edition driver's position is also bedecked in 'sport chic' colours, with a perforated aluminium pedal unit and footrest.

Photos are for illustrative purposes only.

# COMFORT

## 1. RAIN AND LIGHT SENSORS

The automatic-speed windscreen wipers start and adapt their speed according to the intensity of the rain.

## 2. ELECTROCHROME INTERIOR REARVIEW MIRROR

The mirror gradually darkens as light levels increase to prevent dazzling.

## 3. DUAL-ZONE CLIMATE CONTROL

Offers customised climate comfort, allowing each front-seat passenger to choose the temperature they prefer. For maximum comfort, the rear passengers are also provided with an adjustable air outlet.

## 4. SUNROOF

The electric sunroof provides the passenger compartment with maximum illumination and gives a panoramic view of the surrounding area.

## 5. REAR COMFORT

At the rear, passengers have their own space offering greater comfort and leaving them free to move as they wish: 1-3/2-3 split-folded rear seats, air-conditioning vents and central armrest. The 27° angle of the seat back has been designed to offer optimal comfort.

# STORAGE AREAS

## 1. GLOVEBOX

The glovebox will allow you to store your personal items (depending on the version).

## 2. CENTRE CONSOLE STORAGE AREA

Practical and easy to access.

## 3. MAP POCKETS

Placed behind the front seats, these can be used to store documents, books and magazines.

## 4. REAR CENTRAL ARMREST

Rear passengers have an armrest with cup holder.

**1. REAR PARKING PROXIMITY SENSORS**

To make parking manoeuvres easier, the parking distance control system alerts you to any obstacles behind the car with a sequence of beeps that get faster as the car approaches the object.

**2. CRUISE CONTROL / SPEED LIMITER**

The cruise control-speed limiter lets you set a cruising speed or a maximum speed. A control button on the steering wheel allows you to adjust the chosen speed.

**3. 3D SOUND BY ARKAMYS® RADIO**

Bespoke sound processing by Arkamys® enables the speakers to reproduce superb quality, 3 dimensional sound. Audio output can be modified using the "driver only" and "disable rear speaker" functions.

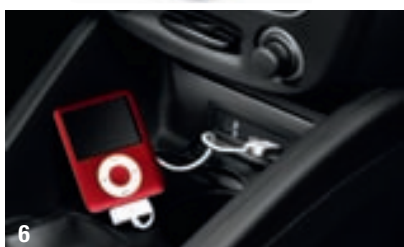

**4. CARMINAT TOMTOM®**

Fluence offers Carminat TomTom®, the first truly affordable built-in navigation system, which incorporates a 5.8-inch (14.7cm) colour screen allowing the clear display of precise, detailed maps, including a 'birds-eye view' display. It gives accurate directions, and it's very simple to update. Its remote control provides intuitive, safe access to the various functions.

**5. HANDS FREE CARD**

Just keep the card on you. The car unlocks and starts automatically, with no need to insert the hands-free card.

**6. PLUG & MUSIC AUDIO CONNECTION**

Hook up your digital, personal music player using the USB and iPod® sockets and manage the system using the steering wheel controls.

**1. DYNAMIC DRIVING CONTROL (ESP)**

ASR traction control and understeer control logic (UCL): ensure the vehicle remains stable even in difficult road conditions.

**2. ABS ANTI-LOCK BRAKE SYSTEM WITH ELECTRONIC BRAKE DISTRIBUTION (EBD)**

Combined with emergency brake assist, helps control the trajectory.

**3. ANTI-WHIPLASH FRONT HEADRESTS AND 6 AIRBAGS**

For your safety, the Fluence comes with 4 to 6 airbags, and with headrests that can be adjusted both in height and inclination to prevent risk of whiplash injury.

**4. ISOFIX SYSTEM**

The rear side seats are fitted with an ISOFIX attachment system, to fit a child seat in complete safety.

## ACCESSORIES

### 1. CHROME BOOT MOULDING

Protects the loading area and customises boot access.

### 2. SPOILER

In total harmony with the vehicle's elegant look, the spoiler adds a personalised finishing touch to your Fluence's boot line.

### 3. DOOR SILL

Ideal for stylish protection when climbing into your Fluence.

### 4. SPORT KIT

Made up of a front end panel, rear spoiler and two sills. To round off the look, opt for the chrome exhaust tube, sport spoiler and Avanza or Asteria wheel rims.

### WHEEL RIMS

Developed in line with European standards and the principles of design, the wheel rims match the original manufacturer dimensions in order to maintain the vehicle's road-holding capabilities. They are compatible with the vehicle's wheel gauge and the wheel bolts of Renault alloy rims.

### 5. GREY ASTERIA ALLOY WHEEL RIM

### 6. CHROME SHADOW GREY AVANZA ALLOY WHEEL RIM

### **7. TEXTILE CARPETS**

Made-to-measure and matching the Fluence colours, you will be won over by the quality, design and durability of Renault's range of textile carpets.

### **8. BOOT LINER**

The sealed boot container allows you to transport wet or dirty objects that would otherwise soil your car. It is easy to remove and can be hosed down.

### **9. SWAN NECK TOW BAR COUPLING**

An elegant design and the removable ball (tools required) preserve your vehicle's aesthetic appearance.
