

NEW
RENAULT CAPTUR
FULL HYBRID E-TECH

160 hp

**also available with
a petrol engine**

1 October 2025

compact and assertive SUV

With its powerful front end panel, an esprit Alpine trim with an iconic sports design, Renault Captur full hybrid E-Tech⁽⁶⁾ is very much the embodiment of a compact SUV. With generous interior space, an openR link multimedia system with Google built-in and 21 advanced driver-assistance systems, it stands out in every respect.

Enjoy the thrill of electric driving with the 160 hp full hybrid E-Tech engine.

160 hp full hybrid E-Tech engine

up to 1100km of range⁽¹⁾

3.6l/100km of fuel consumption⁽¹⁾

openR link system with Google built-in⁽²⁾

21 advanced driver-assistance systems⁽³⁾

Up to 616 litres⁽⁴⁾ of boot volume⁽⁵⁾ with rear seats forward

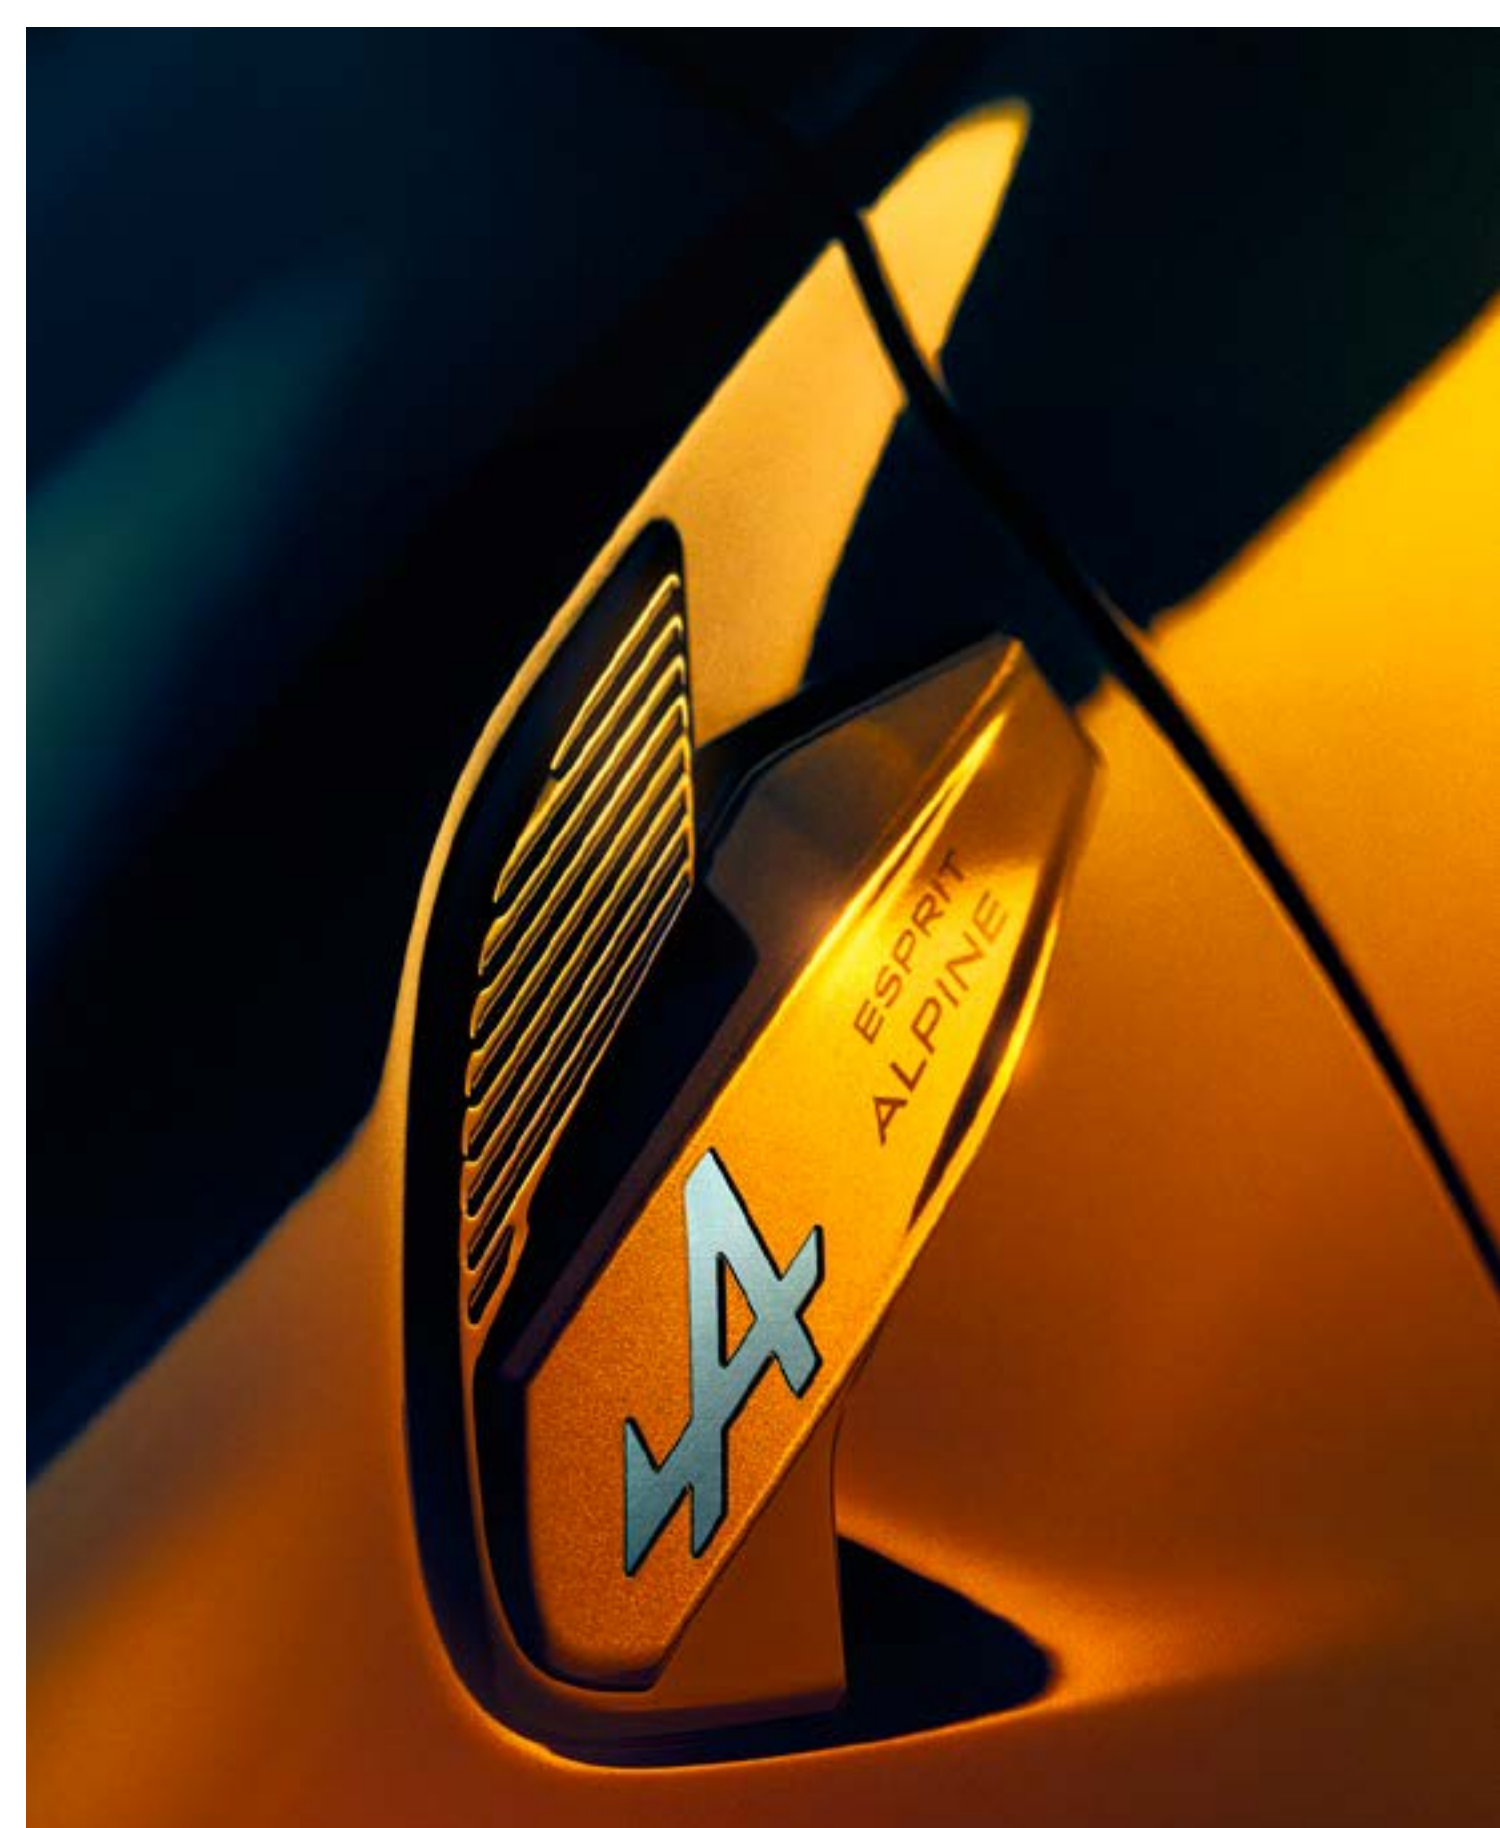

(1) internal source. based on new Captur E-Tech vs WLTP fuel consumption figures. Figures shown are for comparability purposes only. Actual real world driving results may vary depending on factors including the starting charge of the battery, accessories fitted after registration, weathering conditions, driving styles and vehicle load. (2) available on techno and esprit Alpine Versions. (3) always follow road safety regulations. It is your responsibility to stay alert, drive safely and be in control of the vehicle at all times. You should not solely rely on driver convenience and assistance features. Some features may not work in all conditions and circumstances, and they have speed and other limitations. Google, Google Maps, Waze and other related marks are trademarks of Google LLC. (4) depending on engine and with bench seat in the forward position. (5) the equivalent volume measured according to VDA standard (ISO 3832) is 536 dm³ for the petrol version and 440 dm³ for the full hybrid E-Tech version (the VDA standard involves measuring the total volume of the boot using standardised shape and volume objects (200 mm x 100 mm x 50 mm = 1 dm³)). (6) also available in TCe90 in evolution and techno trims.

powerful style

Muscular front grille, streamlined headlight optics, matte grey F1® blade and redesigned Renault emblem. A new sharper design for an ever more inspired style.

Dark chrome emblem, new crystal rear lights, esprit Alpine signature badges on the front wings, and assertive sportiness of the 19" 'Elixir' alloy wheels exclusive to this version⁽¹⁾.

Rediscover Captur's DNA with its timeless two-tone touch and up to 11 possible colour combinations⁽²⁾.

(1) only available on esprit Alpine. (2) dependant on version.

on-board experience

Immerse yourself in an eco-chic sporty interior. Select your driving style for a personalised driving experience thanks to 4 **MULTI-SENSE⁽¹⁾** driving modes and 48 ambient lighting colour combinations.

Thanks to wifi smartphone integration, all of your apps, playlists, podcasts and calls are displayed on the multimedia screen. The wireless charger ensures an optimal level of independence.

The esprit Alpine stands out with its blue top-stitching and a steering wheel adorned with blue/white/red stitching. Each seat back features the Alpine emblem.

(1) on techno and esprit Alpine versions.

160hp full hybrid E-Tech engine

The new Renault Captur full hybrid E-Tech 160 offers class-leading WLTP fuel consumption up to 3.6l/100km⁽²⁾⁽³⁾.

(1) internal source. based on new Captur E-Tech vs WLTP fuel consumption figures. (2) in WLTP combined cycle. (3) Figures shown are for comparability purposes only. Actual real world driving results may vary depending on factors including the starting charge of the battery, weather conditions, driving styles and vehicle load.

openR link multimedia system with Google built-in⁽¹⁾⁽²⁾

With its new central 10.4" screen and 10.25" digital driver display⁽³⁾, the openR link multimedia system offers intuitive access to the best of Google services: navigation with Google Maps⁽¹⁾, voice assistant with Google Assistant or Google Play⁽³⁾ with more than 50 apps available⁽¹⁾.

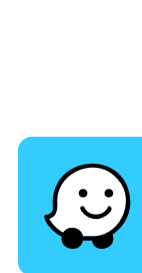

Closed road, new direction of traffic, roadworks, etc. Always take the best route and let yourself be guided by Google Maps.

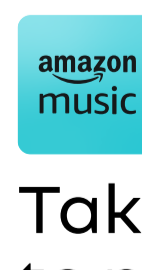

With Google Assistant, plan your journey, change driving mode or adjust the temperature with a simple voice request: "Hey Google..." and off you go.

Over 50 applications⁽¹⁾ with exclusive content are available via Google Play⁽⁴⁾, including Waze, SongPop for Renault, and Amazon Music.

Waze is a community-based navigation app that shares information in real time. Waze boosts your peace of mind.

Take to the road while listening to playlists, and much more, with **Amazon Music**, included with your Amazon Prime subscription.

Vivaldi browser is an efficient, fast web browser that respects your privacy.

Drive to the beat with our new musical game – **SongPop for Renault!** Play together and rediscover popular songs with your family and friends!

Use **Spotify** to listen to your favourite podcasts, playlists, and artists all simply using your Google voice activation.

Access all your favourite radio stations live, at any time, in France or abroad, with **Radioplayer for Renault**.

(1) My Renault, Google Maps and Google Assistant connected services are provided free of charge for 5 years from the date of delivery of your vehicle. Thereafter, additional charges may apply. (2) available on techno and esprit Alpine versions. (3) the use of applications downloaded from Google Play requires a dedicated data package. To use these apps, share your phone's connection with your Renault. Google, Google Maps, Google News, Waze and other marks are trademarks of Google LLC. (4) Amazon and all related marks are trademarks of Amazon.com

compact and generous

The interior space can be adjusted according to your needs thanks to the ingenious 16 cm sliding rear bench seat. This gives passengers knee room of up to 22 cm. You can reduce it to free up more space in the loading area.

The boot of up to 616 L⁽¹⁾ is extremely practical with its modular volume. In the blink of an eye, fold down the rear bench seat and enjoy total loading space of up to 1,596 L⁽²⁾, ideal for transporting long objects.

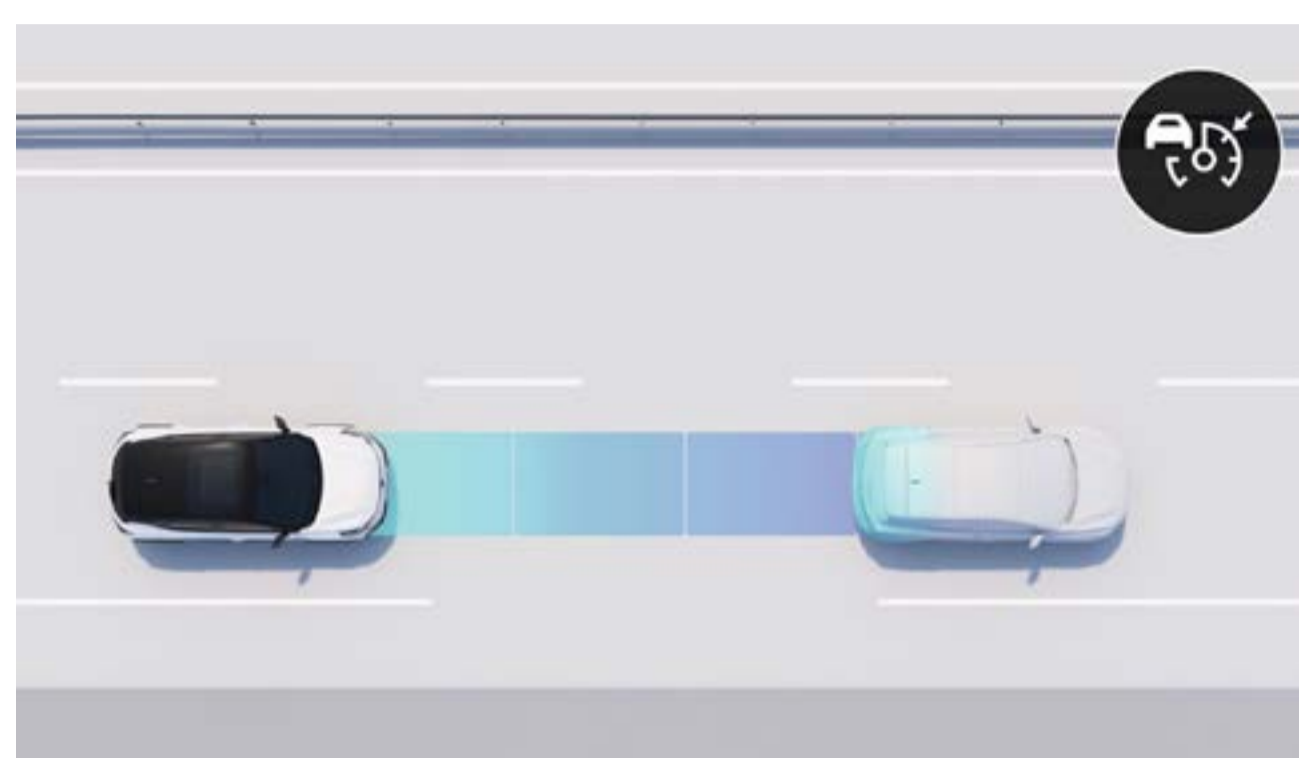

1) Figure shown is for petrol version. 480L for the hybrid version. The equivalent volume measured according to VDA standard (ISO 3832) is 536 dm³ for the petrol version and 440 dm³ for the full hybrid E-Tech version (the VDA standard involves measuring the total volume of the boot using standardised shape and volume objects (200 mm x 100 mm x 50 mm = 1 dm³)). 2) Figure shown is for petrol version. 1458L for the hybrid version. The equivalent volume measured according to VDA standard (ISO 3832) is 1363 dm³ for the petrol version and 1276 dm³ for the full hybrid E-Tech version (the VDA standard involves measuring the total volume of the boot using standardised shape and volume objects (200 mm x 100 mm x 50 mm = 1 dm³)).

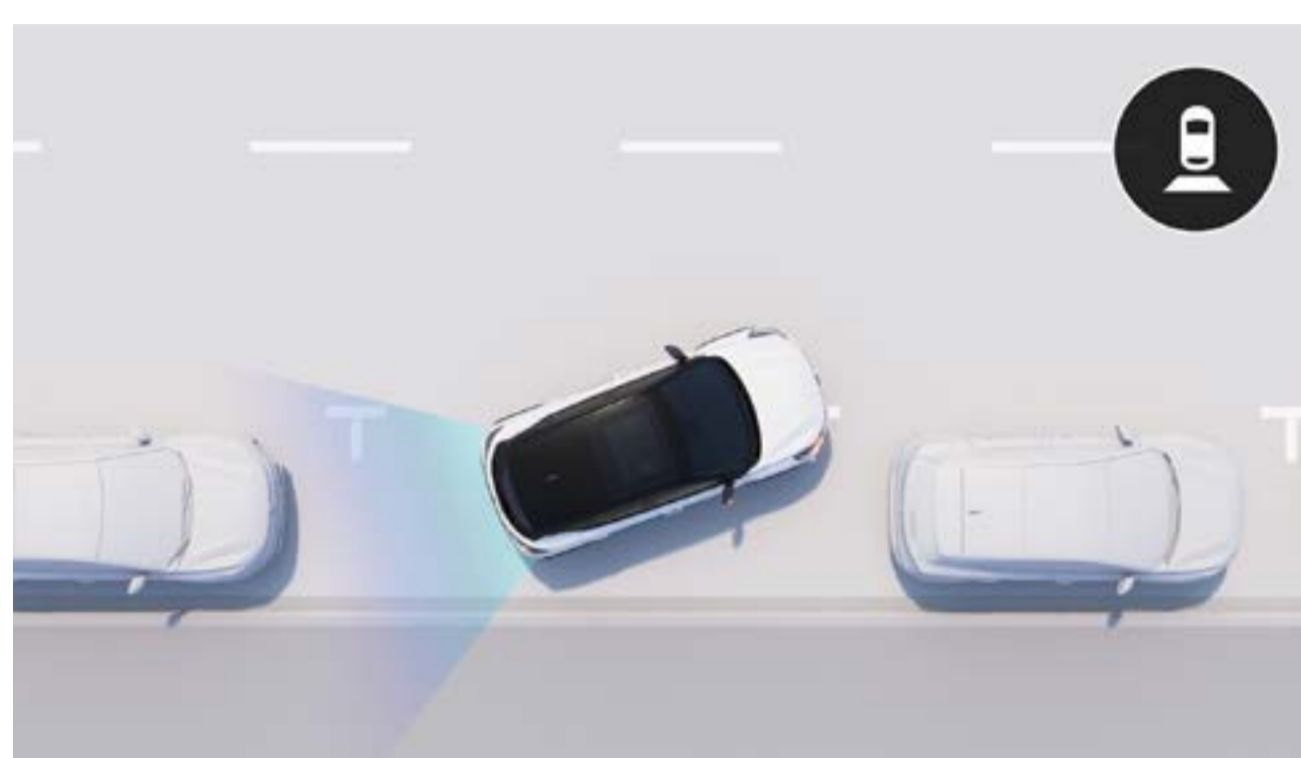

06. advanced driver-assistance systems

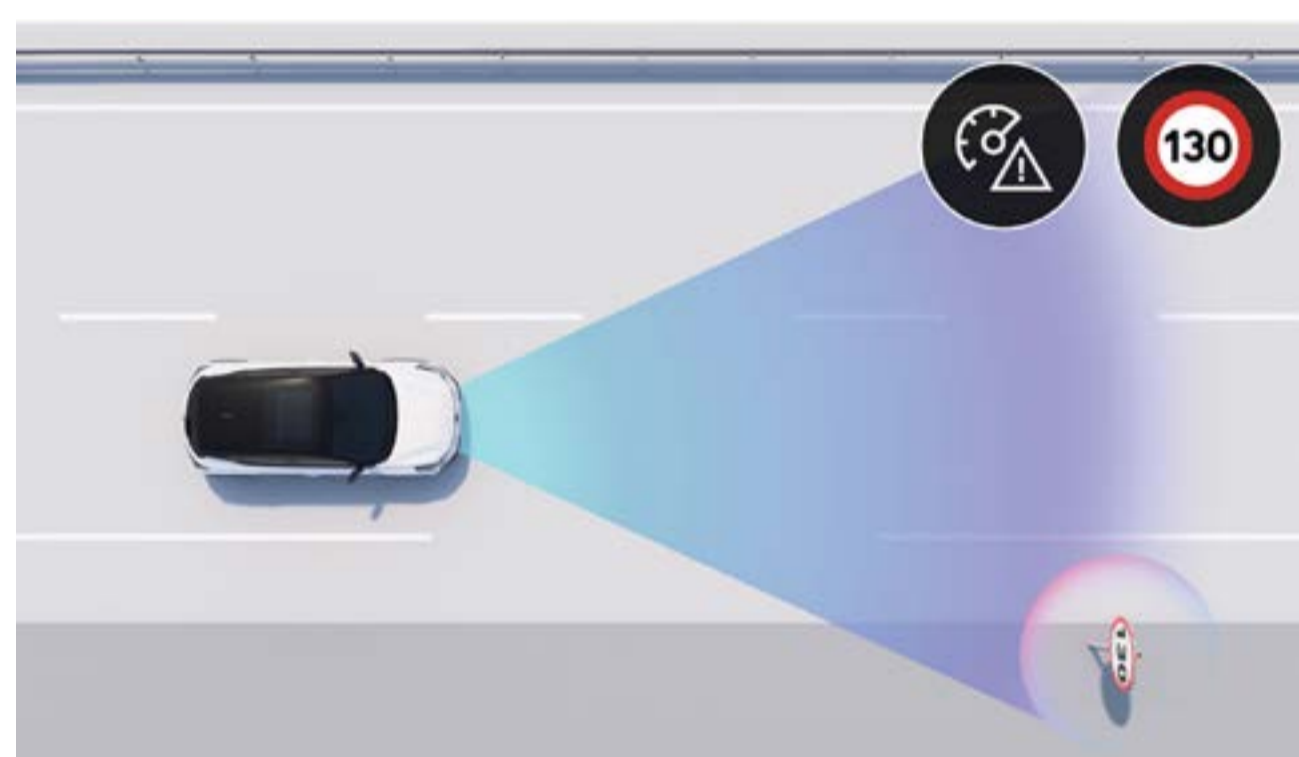

21 advanced driver-assistance systems⁽¹⁾

adaptive cruise control⁽¹⁾
 This system keeps a safe following distance with the vehicle in front. It activates the brakes when you get too close, and accelerates when the road is clear again.

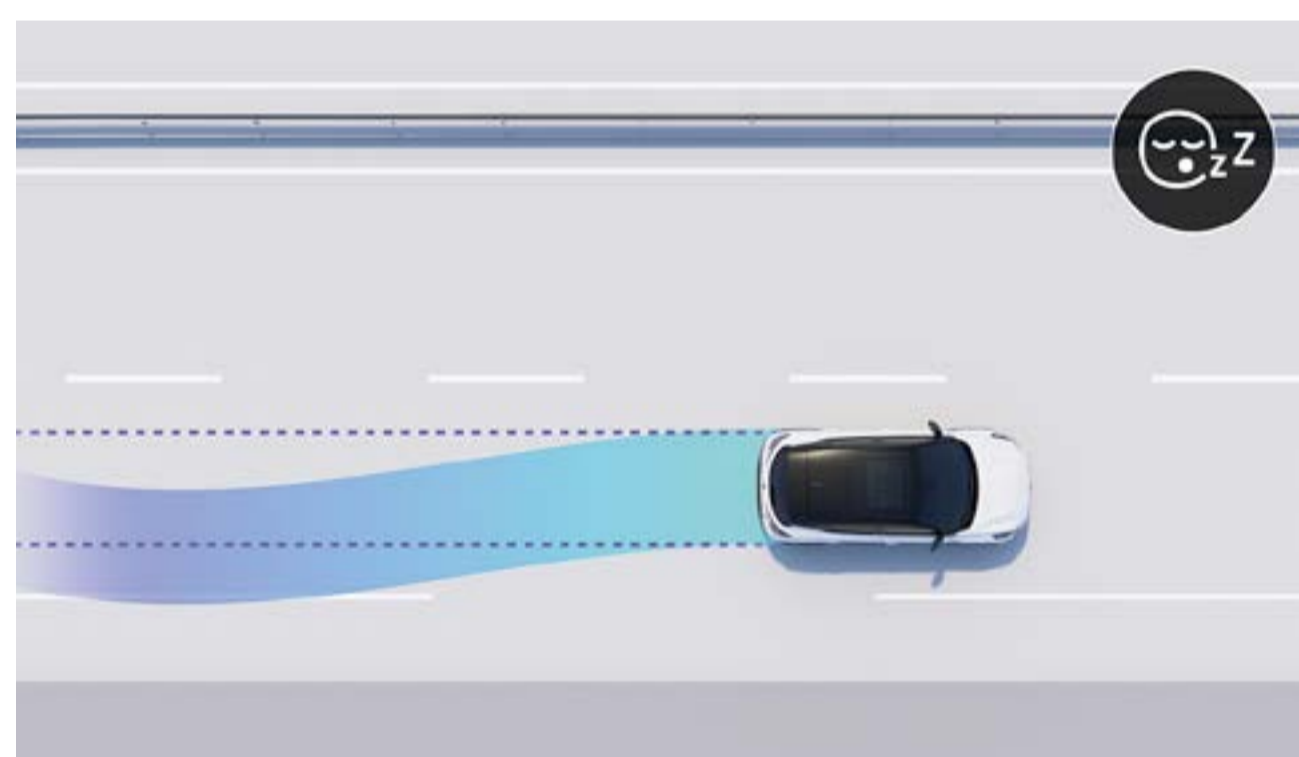

rear view camera
 This system provides a rear view on the screen when you engage the reverse gear. Superimposed outlines help to make your manoeuvres easier and safer.

traffic sign recognition with overspeed prevention
 This shows the maximum speed limit and warns you if you are speeding, this will then display a sign on your instrument panel and an audible signal prompts you to slow down.

automatic emergency braking system (city/suburban/pedestrian/cyclist) with intersection function
 This system uses warning lights to alert you about the presence of vehicles that are not visible in your field vision in an urban environment. If the vehicle detects a risk of a collision the braking force is increased.

driver attention alert
 Active from 60km/h, this system warns the driver if fatigue is detected via an audible alert and a message on the dashboard, detection is based on analysis of the driver's reactions (steering wheel movements, use of indicators or windscreen wipers, time spent).

driver assistance

- hill start assist
- distance warning alert
- safe following distance warning
- predicative hybrid driving
- cruise control
- speed limiter
- adaptive cruise control⁽³⁾

parking assistance

- rear parking sensors
- front parking sensors⁽³⁾
- side parking sensors⁽³⁾
- rear view camera

safety assistance

- lane departure warning
- lane keeping assist
- blind spot warning and rear detection with emergency lane keep assist⁽²⁾
- occupant safe exit alert
- auto/high low beam
- emergency lane keep assist including oncoming traffic & road edge
- automatic emergency braking system (city/suburban/pedestrian/cyclist) with intersection function
- traffic sign recognition with speed limiter
- driver attention alert

(1) always follow road safety regulations. It is your responsibility to stay alert, drive safely and be in control of the vehicle at all times. You should not solely rely on driver convenience and assistance features. Some features may not work in all conditions and circumstances, and they have speed and other limitations. (2) available on esprit Alpine version. (3) available on techno and esprit Alpine versions.
