

the space adapts to you

The spacious passenger compartment has the ideal dimensions and modular design for perfect versatility, with electric front seats⁽¹⁾, 22 cm of legroom in the rear and a folding and sliding rear bench seat.

With the rear bench seat folded down, you have a total volume of 1,682 litres⁽²⁾ to carry your luggage, groceries or equipment. The practical hands-free system allows the tailgate to be opened with one foot movement.

Save space in a flash. Thanks to the sliding rear bench seat with 16 cm of travel, the boot capacity is increased from 576 litres to 708 litres⁽³⁾.

(1) depending on version. (2) with the mild hybrid engine. (3) with the mild hybrid engine and bench seat fully forward.
